Check with your State & Local Utility Agencies to see if your company is entitled to financial incentives that help offset cost of installing energy efficient lighting equipment. As an example—this particular job would have received \$7875 worth of financial incentive if it was located in the state of Wisconsin.

www.dsireusa.org

U.S. Companies should also review EPA Act 2005 tax credit incentives with accountants.

MANUFACTURING

NICOS POLYMERS & GRINDING, INC.
Nazareth, PA

BENEFITS:

- 50% Annual Energy Savings
- Over \$125,000 in savings over the past 5 years
- No additional maintenance for fluorescent system vs. metal halide system

"We made the right decision to retrofit our facility with Westinghouse and are still enjoying savings in energy bills and savings in maintenance. After 5 years we are still happy."

— Daniel Sheehan, Operations Manager
Nicos Polymers & Grinding, Inc.
